Patio Glo™
Outdoor Gas Light

Lighting adds the finishing touch to any living area, indoors or out. The Patio Glo™ light provides a soft, ambient glow that beautifies your outdoor living room. No need to fuss with gas or electrical lines here—the Patio Glo™ light uses replaceable liquid propane canisters for accent lighting with the old-world charm of a true gas flame.

Patio Glo™ Light

- Open gas flame provides soft, romantic lighting.
- Easily mounts to deck rails or other solid outdoor structures with four carriage bolts (included).
- Electronic ignition (IPI) means you simply flip the switch, hear the spark, and see the flame.
- Package includes lamp head, post, base with door, and fastener pack.
- Fueled by replaceable 1 lb. propane cylinders for more than 15 hours of lighting.
- Durable design offers years of worry-free performance.
- Limited warranty provided on all parts.

Even the stars
need a little help
now and then
