EPIC GAS STOVE

FEATURES

Comfort. Warmth. Security.

Nothing warms the body and soul quite like a fire. Cozy evenings, time with family and friends, a mug of hot cocoa... A fire not only adds style and dimension, it is the heart of your home.

The Epic, with it's hand-painted logs and sophisticated burn technology, blends the timeless appeal of a wood fire with the convenience of gas. Available to fit a variety of heating needs – 33,000 or 40,000 BTU's and with four different trim options, the Epic will integrate seamlessly into any home. A large heat exchanger efficiently transfers heat and huge glass provides a mesmerizing view of the fire. You can purchase the Epic with confidence knowing it is backed by Country's exclusive limited Lifetime Warranty ensuring you a lifetime of warmth.

- Huge bay window provides a wide-open view of the fire – 402 sq. inches of glass
- Available to fit a range of heating needs – Choose 33,000 or 40,000 BTU's
- Large high-efficiency, unobstructed heat exchanger – Over 500 sq. inches of surface area
