COUNTRY STOVES
A LIFETIME OF WARMTH

The Winslow Pellet Stove and Insert

FEATURING COUNTRY'S EXCLUSIVE "SMART HEAT" TECHNOLOGY

"Country Stoves has always been a company passionate about creating quality, warmth, and comfort.

For 25 years, this passion has been handcrafted into each stove. That's why thousands of families have trusted us with providing the warmth and comfort they were looking for. By owning a Country Stove, you too can experience the passion, performance, and warmth that is Country."

Wishing you a lifetime of warmth,

R.B. Schif

OUR COMMITMENT

For the last 25 years, we have prided ourselves on creating the finest, handcrafted stoves available. We've grown and changed over the years, but we haven't lost what made us successful to begin with – a commitment to providing you and your family a lifetime of warmth.

LIMITED LIFETIME WARRANTY

We are proud to stand behind our new pellet stove and pellet insert. We prove it by offering:

- ◆ Limited Lifetime Warranty on heat exchanger, stove body and glass
- ◆ Five year warranty on burn pot and auger
- ◆ Three year warranty on electrical components

See your Country Stove professional for more details.

The Country Winslow PS/PI40 will offer years of trouble-free use, easy maintenance, and a limited lifetime warranty. At Country Stoves, we promise you a lifetime of warmth.

COUNTRY'S STOVES
A LIFETIME OF WARMTH

Country's Pledge – Superior Quality

CONVENIENCE AND RELIABILITY IN A PELLET STOVE FROM COUNTRY

Winslow PS40 Pellet Stove Exclusive Features:

COUNTRY STOVES WINSLOW – The next stove in the Country line.

A pellet stove with clean, classic design, proven reliability, incredible heat output, and a Limited Lifetime Warranty – unheard of right? Not anymore. Country Stoves Winslow PS40 and PI40, the freestanding and insert versions of our new pellet stove, exemplify these characteristics.

COUNTRY'S EXCLUSIVE "SMART HEAT" TECHNOLOGY

Only Country's PS & PI40 pellet stoves have "Smart Heat" technology, providing the ultimate in precision heating and comfort control. With "Smart Heat" technology, the pellet stove works like a regular furnace, allowing you to set the temperature and walk away. Remote thermostat capability for a single room or your whole house, and on site programming let your technician customize settings for your individual heating needs.

Continuing in the Country tradition of premium quality and elegant styling, the Winslow comes standard with features such as:

- ◆ Gold or nickel trim
- ◆ Self-ignition
- ◆ Unique air-wash system with 30 days of average burning and still clean glass!

CLEANING & MAINTENANCE

We know that cleaning and maintenance are a necessary part of owning a pellet stove and we anticipated that. Quick access to components makes cleaning quick and easy. If your stove should need service, an exclusive state-of-the-art diagnostic tool available to your service technician, makes diagnosis simple.

ADDITIONAL FEATURES:

- ◆ Extra-large 60 (PS40) or an adjustable 55/40 (PI40) pound hopper
- ◆ Quick access to components for easy cleaning
- ◆ Durable cast iron burn pot (self-cleaning)
- ◆ Large capacity ash drawer
- ◆ Equipped with "Smart Heat" for use with optional hard-wired or remote thermostat
- ◆ Self-igniting
- ◆ Unique air wash system for clean glass (at least 30 days clean burn time!)
- ◆ State-of-the-art diagnostics for easy service and maintenance
- ◆ Mobile home approved
- ◆ Remote thermostat capability

SPECIFICATIONS & CLEARANCES:

PS40 PELLET STOVE

CLEARANCE TO COMBUSTIBLES

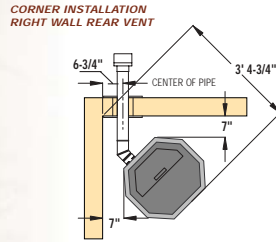

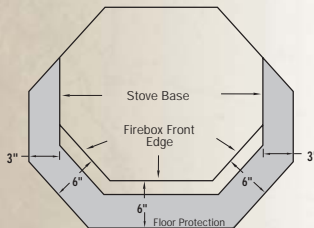

In corner installations the minimum clearances to side walls varies depending if the vent goes through the left or right wall.

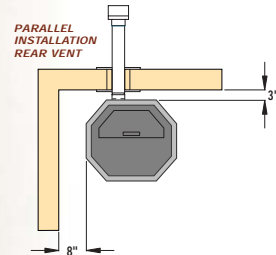

Allowing larger clearances will increase accessibility for ease of maintenance and cleaning.

MINIMUM FLOOR PROTECTION

It is recommended that all vent installations, including rear vent, terminate vertically above the roofline.

UNIT DIMENSIONS

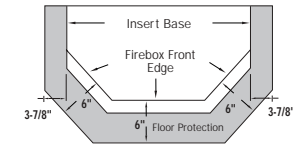

Height	31"
